

Types of Members

The initial statutory note of HAMAC defines 2 main types of members, the basic presuppositions of which are listed below.

However, we would like to indicate that our Association is under modification of the relative clauses of its Statutory Note, so that more companies to be able to participate.

You can find the relative indications below.

Based on these indications and modifications, the Association will proceed to approve new members.

Regular Members

Have an annual turnover of more than 350.000 euros for the last 3 years.

Employ in a full time basis at least 5 persons (the modification on the Statutory Note refers to 1 employee).

Have at least 3 years of experience in the mobile sector (the modification on the Statutory Note refers to 1 year).

Affiliated Members

This type of membership comprises all the above mentioned but the minimum annual turnover is 175.000 euros.

(The revised Statutory Note includes a special reference for new established companies).
